Remember to:

- Help our sisters financially by helping her get organized and providing the fishing rod as opposed to the fish
- Be careful how you handle your business
- If you need it back, don't borrow it out
- God has equipped us with all the right tools to witness
- You need to have, know, and live the Word when you witness
- We are not God. We do not always have the answer
- Witnessing is sharing the love of God
- If you don't have the love of God in your heart, can't show it to other people
